ARBILL SAFETY SELECTED AS A WINNER IN 2005 STEVIE AWARDS FOR WOMEN ENTREPRENEURS

PHILADELPHIA — Arbill Safety has been named a winner and finalist in several different categories of the Stevie Awards for Women Entrepreneurs, an international awards competition recognizing the accomplishments of women executives and business owners.

Arbill was named a winner in the “Brochure of the Year” award category. In addition, Arbill was a finalist in the “Best Overall Company of the Year” category for non-service businesses with up to 100 employees, and in the “Best New Service of the Year” category for its compliance and consulting training services.

The Stevie Awards for Women Entrepreneurs are governed by a board of distinguished judges and advisors made up of leading women entrepreneurs and business leaders. The awards recognize companies for outstanding accomplishments during the eligibility period, which extended from July 1, 2004 to June 30, 2005. Arbill was required to submit applications for awards in each category.

“We are honored to have been selected as both a winner and finalist in the Stevie Awards for Women Entrepreneurs,” said Arbill CEO and President Julie Copeland. “It is exciting to see female business executives being honored for their leadership and ingenuity, and we are pleased to be part of such a prestigious group of award-winners.”

Arbill Safety is North America’s single safety solution.
